

This is our website [https://social.cn1699.cn/dev/pubmeds/view\\_mesh/15174/social-sciences](https://social.cn1699.cn/dev/pubmeds/view_mesh/15174/social-sciences) under the subheading of one mesh, Social Science ask you can see not too much data of subheading

But here on NCBI page <https://www.ncbi.nlm.nih.gov/mesh/?term=social+sciences> the subheading of social science is too many so that's the data need to find and how to add

All the data we get and import from here NCBI/NLM
